GOOD GEAR

By Jonathan Futrell

POCKET-SIZE CAMCORDER

Sony's HDR-TG3E measures 63mm x 119mm x 32mm, records onto a Sony Memory Stick and has a face-recognition

system that spots when you're filming people (up to eight at a time) and adjusts the settings automatically.

There's even an option to take still images while filming. Price: £650. Stockist: 0870 511 1999, www.sonymstyle.co.uk

SUMMER JACKET

There's no fear of Barbour's Featherweight Ladies International blending in with the grouse moor. The company synonymous with the green and tans of country pursuits has added red to its palette for its latest waterproof polyester jacket. Also in stone and black.

Price: £180
Stockist: 0800 009988, www.barbour.com

LAPTOP CASE

Delsey's Protexi has all the moulded rubber and padding you'd expect, plus a special compartment in the side that means you can extract your computer while keeping the rest of your bag safely closed. Price: £180. Stockist: 020 8731 3530, www.delsey.com

IN-CAR DAB RECEIVER

Attach the Pure Highway to your windscreen and it will pick up digital channels and beam them via an FM signal to your existing car radio, allowing you to play DAB stations too.

Price: £70. Stockist: 01923 277488, www.pure.com
