Desirables

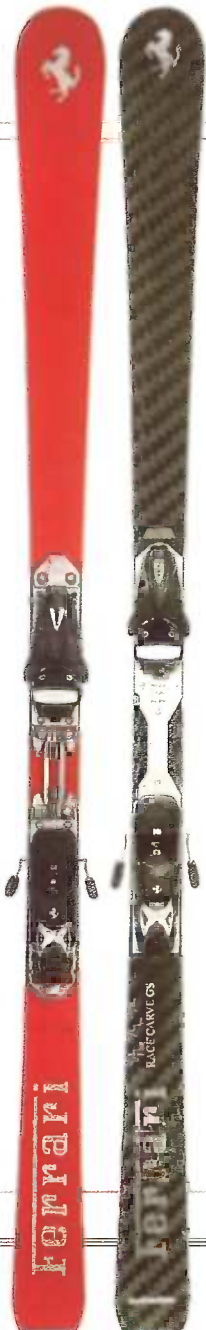

1

1 POLARIS IQ SHIFT

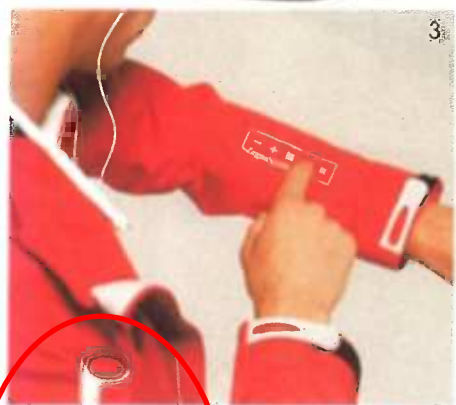

Man created scooters for those who are too lazy to cycle; the ski-doo is the skiing equivalent and should ideally be used next to 50 skiers struggling uphill. £3500 Tel: 001 763 525 7704 www.polarisindustries.com

2 FERRARI SKIS

Limited to 149 pairs; the need to avoid hidden rocks becomes a necessity. Apparently McLaren is bringing out a similar pair next year. £1978 Tel: 01753 878 700 www.ferraristore.com

3 ZEGNA BT IJACKET

Control your music and your phone from your sleeve, which is all very well until you accidentally call your irate wife every time you wipe out. £959 Tel: 020 7518 2700 www.zegna.com

4 JCB TOUGHPHONE

Able to withstand temperatures of -20 degrees and a ringtone of a JCB digger starting up – what more could you possibly want from a mobile? From £199 Tel: 08000 725 855 www.phones4u.co.uk

5 DUCATI WHEELED CARRY-ON

Perhaps the cheapest way to be able to tell everyone that you own a Ducati two-wheeler, even if you are dealing with a measly one brake human power £375 Tel: 020 7493 4138 www.tumi.com

6 PORSCHE BOBSLEIGH

Cooler than a Boxster, cheaper than a GT and more environmentally friendly than a Cayenne. Just don't blame us when they want the real thing aged 17 £59 Tel: 08457 911 911 www.porsche.com/uk

7 MOTOROLA O ROKR

Sunglasses with a built-in stereo and bluetooth phone for either the most 'hard working' of skiers or the most antisocial. £170 Tel: 08000 151 151 www.motorola.com
