### HEIDI PACKS HER BAGS \*NEW

POSTED 17 SEPTEMBER 2008

Looking for a new bag for your autumn travels? Then take inspiration from Heidi Klum, who was recently spotted with Tumi's zebra-print carry-on bag and boarding tote from the label's Voyageur collection outside her home. Heidi further proved her travel pro-status by wearing a comfortable pair of green skinny jeans, a black t-shirt, a long mac and some aviator shades. Airplane ready? Definitely.

Tumi: 170 Piccadilly, London (020 7493 4138; [uk.tumi.com](http://uk.tumi.com))
